District of Nevada

Subject: Acceptance of Your "Oath of Federal Office".

Dear Robert J. Johnson,

I am one of the "sovereign" people of the United States of America and I am of sound mind and body, with all of my factuality's function as a fully Competent Man, one who is now not operating with "insane delusions". I am able to reason and able to choose Right over Wrong; because I do know and understand their differences. I do not believe in things that are impossible and in opposition to their true nature of reality. I have made several mistakes and operated with some misunderstandings in the past, but I am awake now and I am setting the records straight. By the way all leasing contracts are voided, as they were made while I was operating in a state of delusional insanity.

I now state to you publicly that I have rejected and discarded as defective, All Oaths that I have taken/given in the past as they were done while I was in a state of delusional insanity; because a Natural and sane Man as a Sovereign - Born of his birthing Land, would never give any Oath, except to become a subservient to another. My word is now totally mine to give and use as I see fit.

Upon my word, I accept your "Oath or Affirmation of Federal Office" to support the Constitution for the United State and thereby you have to honor this presentment. I reject and discard as defective, your "Oath of Allegiance" as it is only a requirement for a naturalized citizen and it is being used against you to breach your Natural bond as a sovereign that you have to your Birthing Land. It has been done to allow for the UNITED STATES "an artificial organization of corporation" to claim you as a subservient Citizen of theirs, because the UNITED STATES itself became a citizen of the United States of America byway of naturalization. If you are operating under any other Oaths or Affirmations such as an "Oath of Loyalty" to any association such as the BAR, they are also rejected and discarded as defective because they would be in conflict with the "Oath of Federal Office" for which you are holding; for one cannot serve two masters at the same time.

I am now the Master in Charge over the subject matter addressed in this letter. By my word, I now order you to comply with the Laws of the Land, as you were only to protect and not to deprive me of my natural rights and property, which were only to be held until my coming of Age or 25 years of Age and competent in understanding. Any Breach of this accepted Oath of Office, after you have been so informed is to be a charge of Treason as it is stated in the Constitution.

I am now with the Resignation letter of my Public/Resident Minister in hand (no artificial resident person to charge any longer) and my secured party - State of California filed UCC1 #12-7301834726 as my lawful claiming document for all of my property and assets held by my Debtors and Lessees as the Secured Party. Therefore I am now by my word, Ordering the release and return of all of my property and accrued assets withheld from me in my Municipal incorporated Independent Treasury accounts. You are to insure that the law of the land is Honored, so contact me within three (3) days to make the delivery of my property to stay in honor so I am able to operate in lawful commerce, to the above address.

All UNITED STATES bills have been ordered to be setoff per my master UCC-1 on file against the Rent that is owed to me per the deceptive Leasing Contracts with the UNITED STATES as the LESSEE and is also to be the Transmitting Utility for settlements. As UNTIED STATES is just an artificial "organization of corporation" operating for a profit using a destructive monetary exchange transactions and deceptive controls as a government corporation is a state of delusional insanity.

Therefore I now by my word, I am Ordering the release and return of all my property and accrued assets withheld from me in my Municipal incorporated Independent Treasury accounts. This means that all "Trust Fund" activities by way of deceptive Leasing Contracts are ordered terminated and bought into full settlement. Unrestrictive access to my lawful and real value funds held in my treasury "Special Funds" accounts are to be given to me within three (3) days and to be completely turnover by the end of 30 days. This is a Demand of Justice to allow me to operate in lawful commerce with just exchanges and to stop harming the other People and the Land of this country and state. The action is per the Laws set forth in the Constitution and the Bible, when they are properly understood. It is also supported by the Supreme Court rulings.

Thank you for your time and Federal service.

Resignation as a Public "Notional" Resident MinisterDate: 13 March 2012

Dear Resignee:

I hereby **RESIGN** from my **Public "Notional" Resident Minister** position effective today.

I, voluntarily give up, declare **Insolvency**, **Terminate all Leasing Contracts and Surrender** all Alienated Residual Property and Assets held by the **SHAWN TALBOT RICE - Social Security Indenture Municipal Incorporation #xxx-xx-xx55** and the **SHAWN RICE - Postal Indenture Municipal Incorporation #xx-xxxxxx-xx09, XX812** in United States Independent Treasury accounts **BACK TO** the Resignee "**Shawn Talbot: Rice**" - the **Secured Party/Creditor** as the **Residue** of his **Inherit Estate**, containing his original birthing **FEE** "an estate of inheritance without condition" as it is recorded in the **Constitutional Will of this Country** and all estate accruals of Leasing Rents are in fact under dominium plenum or allodial in their nature. This Resignation also applies to the **Foreign Mercantile Church/State - Court of Rome**, under the above documents and Baptismal Certificate, for the Termination of the Mercantile three live Leases and the return of all property to the **Secured Party/Creditor**. The restoration of the inherit estate to Shawn Talbot: Rice is also under his Right of Eminent Domain as a people (*in its singular usage*) and the requirement for the separation of an **indivisible body**, "**as one of his persons of his church**" from the **State** - as an Artificial "Organization of Corporation" that has no beliefs.

The main reason I am resigning is because I have discovered that I was operating under **Constructive Treason** and **Insurrection** by deception against both "**Shawn Talbot: Rice**" - the **Secured Party/Creditor** of his Birthing Inherit Estate and this Land "Country".

The Birthing Estate has not been utilized for the Benefit of "**Shawn Talbot: Rice**" - the **Secured Party/Creditor** but it was for the benefit of with the Federal/State and the Mercantile artificial organizations of corporation, used to support their Bankruptcies and other public corporations under their deceptive leasing contracts that were founded upon and operated in **Constructive Fraud**.
